

QFX Introducing Electric Bikes

QFX USA – VERNON, CA December 28, 2016 – QFX is very excited to announce the introduction of four models of Electric Powered Scooters. All four models are powered by UL Certified Lithium Ion Batteries with Full Recharge Circuit Protection.

The **BIK-3** Fold Up Skateboard Design for easy storage with handle bars and heavy duty wheels for added safety has a top speed of 12 MPH and has a driving range of up to 17 miles; for a full recharge the charging period is two hours. The suggested retail price is \$299.99

The **BIK-5** is a sit-down drift bike model that comes with a non-slip seat for extra comfort and foot rests. The heavy-duty steel extension bar with wheel enables the rider to make full 360-degree drift turns; along with heavy duty hand brake and oversized wheels for improved safety. Suggested retail of the BIK-5 is \$399.99

The **BIK-7** Fully collapsible bike has 10” tires, a driving range of up to 25 miles with a maximum speed of 20 MPH. This model has a heavy-duty hand controlled power assisted brake, adjustable seat with shock absorber for added comfort, Red LED Display with speedometer; this model is available in silver or green and has a suggested retail of \$499.99

The **BIK-9** Fully Collapsible bike/scooter has adjustable height Handlebars; Padded Seat; High Intensity Headlamp; LCD Display with Speedometer and Dual Front Spring Loaded Shock Absorbers. It also features an adjustable Speed Gear Box and heavy-duty hand-control breaks; 10” Wheels with Protective Fenders, and a kickstand. It has a driving range of up to 25 miles and a top speed of 20 MPH, with a Heavy Duty UL Certified Lithium Ion Battery that requires 4-hour recharging time. The suggested retail of the BIK-9 is \$599.99

These models are being introduced at the 2017 International CES Show in Las Vegas, NV and will be available for to ship to our customers by the end of March 2017. To learn more about these products and have an in-person demonstration please visit the QFX USA Exhibit Space in Las Vegas Convention Center Central Hall Booth # 17535.
