Connect 2 PBX-22 Bluetooth® speakers using the latest True Wireless Stereo (TWS) technology for stereo* audio experience
True Wireless System (TWS) is a wireless technology that allows two speakers to connect, sync, and play audio simultaneously.
Stream audio from your phone via Bluetooth to get true stereo sound.
*TWS works only via Bluetooth with this speaker.

Connecting to BT

- Press "MODE" until you hear one beep. BT Mode is on.
- Turn on your smartphone's BT and search for the device. Then you will read "QFX PBX-22" on smartphone.
- Connect with "QFX PBX-22" click the ok on smartphone.
- "Connected" message will appear. Connection is successful. (play and select music with smartphone when connected through BT).
